

Of course flowers make a **beautiful gift for a new mother** and are a cheery way to offer your **c**
ongratulations to a new family member

. Share your happiness at a new birth with an adorable

bouquet of fresh flowers

wrapped up with some of our

new baby gift

wrap.

While **blue and pink tones** are always a popular choice in flowers for the occasion of a
newborn, flowers that are **in season at the time of birth** are a
thoughtful alternative.

Birth month flowers

similarly respresent what is often in season in the birth month of a new baby.
